Excellentissime Domine

(f. 248 § 6)

Je m'adresse maintenant à votre Excellence en réponse
à votre aimable lettre du et dans deux questions dans
lesquelles je me permets de poser votre grandeur de vouloir bien
me venir en aide. L'une d'elle se trouve expliquée dans l'annexe
à votre lettre et l'autre concerne l'Occident de St-Petersbourg
et l'université catholique de Lublin. C'est de cette annexe que
je me permets d'entretenir votre grandeur.

L'Occident de St-Petersbourg est de fait inactive, pas d'élèves,
pas de professeurs, pas de revenus. Tout ce que nous pouvons
faire exister en la défense des traditions de la "national-
catholique" s'immisce et de la destruction de tout mouvement et
de l'activité du bâtiment; l'entretien, tout ce que peut se
faire une image, qu'on lui ait et tout ce que les
autres de l'autre des communications dans les universités dont
ils s'occupent. Cependant les étudiants se tiennent de pas à pas
